Our competition updates are divided into **Regular Competitions, Social competitions and Multiple Entry competitions.**

### Regular competitions

These competitions are updated **every Monday at noon**. In this section you'll find 150 brand new competitions, ranging from shop competitions to online and postal ones. You can sort these competitions by clicking on the drop-down menu to the right hand side of the listings. Under 'Entry Method' you can sort competitions by type (for example 'Online' or 'Phone' entry), or by using the 'Prizes' drop down menu you can order competitions by prize category such as 'Holidays' or 'Cash'

All of the latest competitions will be listed under 'This week's comps' except creative and shop competitions which have their own separate categories. All the latest ones of these types will be marked as 'New'.

 **£250 voucher for This Works :**  
This Works and Aspace

Once that week's competitions are replaced with the new weeks competitions, all still open comps (except creative and shop) will be listed under 'Open comps'.

You can also use the buttons underneath the 'Entry Method' navigation to print out postal and shop competition details for your convenience

### **Marking competitions as entered**

You can also tick off the competitions you have entered using the check box on each of the listings.

This will help you keep track of your competition entries. Any that you mark as entered will disappear from the main list and appear in your My Competitions section [More about this later]

Ignore this competition

If you'd prefer not to enter a particular competition you can click the 'Ignore this competition' tick box, and again the competition will disappear from the main list. It will appear in the 'Ignored competitions' section of My Competitions.

### **Social Media competitions**

Your social media competitions will be updated every Wednesday and Friday. Because of the nature of these competitions they will continue to be updated throughout the day, with a minimum of 50 new competitions on a Wednesday and 100 on a Friday.

They are divided by day (either #WinitWednesday or #FreebieFriday), and once a new competition update has published, all open competitions will be featured under the ‘See All’ tab.

Now on to your new and improved competition tracking system! Mark a competition as 'I have already entered this competition' or 'Ignore this competition' and you'll notice that the competition will remove itself from the main list. This is to help you keep track of the competitions you have already entered, and those you have left to enter.

On the right hand side of the page you'll note your My Competitions buttons.
